In up to 800 words, describe the situation or the project where you have utilised coaching skills [please ensure you are using the STAR format (situation, task, action, result)]. Your case study needs to focus on specific actions you took that showcase your coaching skills in support of the change project. You may want to consider answering the below set of questions:

- What was the scope of the project?
- What was the organisational context?
- Why did you decide to utilise coaching techniques?
- Who did you coach? What was their role in the project?
- What was the benefit of your actions?
- How did those actions impact respective stakeholders?
- What was the feedback?
- How did those actions impact the overall change effort?
- What did you learn?
