In up to 800 words, describe the relevant project and your change approach using the STAR format (situation, task, action, result). Your case study needs to focus on specific actions you took that showcase influencing change within the respective context. You may want to consider answering the below set of questions:

- What was the scope of the project?
- What was the organisational context?
- What implications did you discover?
- What actions did you take?
- What was the benefit of your actions?
- How did those actions impact stakeholders?
- What was the outcome?
- What was the feedback?
- How did those actions impact the overall change effort?
- What did you learn?
