In up to 800 words, please provide us with an example of a situation where they have genuinely exhibited behaviours pertaining to enabling change. In your answer, try to respond to 'why' the nominated person deserves the 'Best Change Sponsor'. You may want to use the STAR format to plan your answers (situation, task, action, result). Below is a list of questions you may want to provide an answer to:

- What was the aim of the project (try to include the specific context within the organisation)?
- What was the situation they were in?
- What actions have they specifically taken that have positively influenced the change effort within the organisation?
- What was the result of their actions?
- What sets them apart from other senior leaders involved in the above-mentioned change effort?

Kindly note this award is not a “popularity contest”, meaning the result is not influenced by the number of nominations one individual receives. Judges will award ‘Best Change Sponsor’ based on the individual’s proven contribution to enabling change within the respective context.
