In up to 800 words, describe one of your best projects to date using the STAR format (situation, task, action, result). Your case study needs to focus on your change management approach, interventions and actions you took that showcase best practice. You may want to consider answering the below set of questions:

- What was the scope of the project?
- What was the organisational context?
- What was your change approach?
- Were there any implications you may have discovered?
- What change interventions did you decide on?
- What was the benefit of your change approach?
- How did it impact respective stakeholders?
- What was the outcome?
- What was the feedback?
- How did the change approach impact the overall change effort?
- What did you learn?
